

CCC ONE MASTERY: AI, ESTIMATES & INTEGRATIONS

Unlock Your Business Potential
with Our Exclusive Workshop!

Join CCC ONE Mastery: AI, Estimates & Integrations—a full-day seminar featuring morning sessions on industry trends, AI in collision repair, and hands-on estimating in CCCONE.COM, followed by afternoon sessions on integrations, parts sourcing, and management reporting. Perfect for technicians, estimators, and managers—reserve your spot to optimize operations and enhance performance.

Sessions & Topics

Morning Session (3 hours):

Who should Attend: Estimators/CSR's/Management

- Industry Trends & Metrics
- AI in Collision Repair and CCC ONE
- Estimating in CCCONE.COM

Afternoon Session (3 hours):

**Who should Attend: Estimators, CSRs, Parts ,
Production and General Managers**

- CCC ONE Integrations
- Parts: Sourcing, Ordering, Exporting
- Reporting: DRP Scorecard, Indicators, KPI Dashboards

The workshop is divided into two sessions: Estimating in the morning and Management in the afternoon. While both sessions offer valuable insights for all attendees, those who do not currently utilize CCC Management or have interest in expanding their knowledge in that area may return to work after lunch if needed.
